★ 330 +/- Acres

★ Karnes County

★ Rolling hills with spectacular views

★ Located 6 miles north of Pettus

★ Deer, turkey, hogs, dove, quail

★ Native grass and large oaks

Skaw Ranch offers gorgeous views of rolling hills covered in native grasses, oaks, anaquas and bull mesquites. The ranch is a great mixture in a small package that offers excellent hunting opportunities, and has several sites that would be great for building a home.

**Location:** The ranch is located in southern Karnes County, just 6 miles north of Pettus, Texas. CR 140 wraps around two sides of the ranch, offering plenty of good road frontage.

**Habitat:** The ranch topography consists of rolling hills with spectacular views in all directions. Two wet weather creeks flow through the property. There is a great mixture of open native grasses with scattered oaks, old growth south Texas brush and bottomlands dominated by large oaks and bull mesquite trees. Senderos cut through heavy brush create great cover and hunting opportunities. There is a large caliche pit on the western edge of the property that is currently used as a rifle range.

**Wildlife:** The Skaw ranch holds healthy populations of deer, turkey, hogs, dove and quail. The mixture of heavy brush and open grasslands throughout the property create a perfect environment for the many different species of wildlife found on the ranch. The ranch has been working hard to promote quail production with annual burns and special quail feeders found around the ranch. The property is currently under a Wildlife Exemption and does not run cattle.

**Improvements:** Electricity is run to the campground, which is located on a hill near the northern part of the property where a metal barn sits. Good caliche roads traverse parts of the property and provide access to the campground.

**Water:** There is a water well powered by a submersible pump. There are two ponds with underground water lines running to them and serviced by the water well.

**Minerals:** The Seller does not own any minerals and there is no production on the ranch.

**Electricity:** Electricity is run to the main campground near the center of the ranch.

**Price:** \$1,155,000 (\$3,500/acre)

# Information About Brokerage Services

Texas law requires all real estate license holders to give the following information about brokerage services to prospective buyers, tenants, sellers and landlords.

**TYPES OF REAL ESTATE LICENSE HOLDERS:**

- **A BROKER** is responsible for all brokerage activities, including acts performed by sales agents sponsored by the broker.
- **A SALES AGENT** must be supervised by a broker to perform any services and works with clients on behalf of the broker.

**A BROKER’S MINIMUM DUTIES REQUIRED BY LAW (A client is the person or party that the broker represents):**

- Put the interests of the client above all others, including the broker’s own interests;
- Inform the client of any material information about the property or transaction received by the broker;
- Answer the client’s questions and present any offer to or counter-offer from the client; and
- Treat all parties to a real estate transaction honestly and fairly.

**A LICENSE HOLDER CAN REPRESENT A PARTY IN A REAL ESTATE TRANSACTION:**

- **AS AGENT OR SUBAGENT FOR OWNER (SELLER/LANDLORD):** The broker becomes the property owner's agent through an agreement with the owner, usually in a written listing to sell or property management agreement. A subagent represents the owner, not the buyer, through an agreement with the owner’s broker. An owner's agent must perform the broker’s minimum duties above and must inform the owner of any material information about the property or transaction known by the agent, including information disclosed to the agent or subagent by the buyer or buyer’s agent.
- **AS AGENT FOR BUYER/TENANT:** The broker becomes the buyer/tenant's agent by agreeing to represent the buyer, usually through a written representation agreement. A buyer's agent must perform the broker’s minimum duties above and must inform the buyer of any material information about the property or transaction known by the agent, including information disclosed to the agent by the seller or seller’s agent.
- **AS AGENT FOR BOTH - INTERMEDIARY:** To act as an intermediary between the parties the broker must first obtain the written agreement of *each party* to the transaction. The written agreement must state who will pay the broker and, in conspicuous bold or underlined print, set forth the broker's obligations as an intermediary. A broker who acts as an intermediary:
  - Must treat all parties to the transaction impartially and fairly;
  - May, with the parties' written consent, appoint a different license holder associated with the broker to each party (owner and buyer) to communicate with, provide opinions and advice to, and carry out the instructions of each party to the transaction.
  - Must not, unless specifically authorized in writing to do so by the party, disclose:
    - that the owner will accept a price less than the written asking price;
    - that the buyer/tenant will pay a price greater than the price submitted in a written offer; and
    - any confidential information or any other information that a party specifically instructs the broker in writing not to disclose, unless required to do so by law.

**TO AVOID DISPUTES, ALL AGREEMENTS BETWEEN YOU AND A BROKER SHOULD BE IN WRITING AND CLEARLY ESTABLISH:**

- The broker’s duties and responsibilities to you, and your obligations under the representation agreement.
- Who will pay the broker for services provided to you, when payment will be made and how the payment will be calculated.

**LICENSE HOLDER CONTACT INFORMATION:** This notice is being provided for information purposes. It does not create an obligation for you to use the broker’s services. Please acknowledge receipt of this notice below and retain a copy for your records.
