## **FIVE OAKS RANCH**

Matagorda County, Bay City, TX

550 ± Acres | \$2,970,000 | Shown by Appointment Only

# RANCH LOCATION

Five Oaks Ranch is a premier 550+/- acre hunting and recreational property located in the heart of the central waterfowl flyway near Bay City, Texas - approximately 2 miles west of the Colorado River, and 10 miles north of the Gulf of Mexico.

## TOPOGRAPHY AND HABITAT

50% of the ranch is covered in heavy woods with 500+/- years-old live oaks and two miles of live-water creeks that traverse the property. This habitat hold healthy numbers of deer and wild hogs that provide combination waterfowl/big game hunting opportunities. 35% of the ranch consists of moist soil units that are flooded seasonally, using the LCRA canal system, to create first-quality waterfowl habitat. 15% of the ranch is planted in rice fields that provide a revenue stream as well as a consistent food source for migrating waterfowl.

Known for its fertile soils and abundant water - this area of Texas is unique in that it winters 90% of duck populations and 75% of snow goose populations found in the Central Flyway. Rice fields, prairie wetlands and associated coastal marshes provide important habitat for hundreds of thousands of ducks and geese. There is also a large herd of whitetail deer on the property. They have been lightly hunted for the past 6 years.

## IMPROVEMENTS

Improvements include 8 water wells with generators for irrigation, lodge/barn water well, and water well with solar pump to keep the 5-acre lake full. There is a new 6,00SF insulated equipment barn, new double-wide lodge with 4 feeders, and a 5-acre lake stocked with bass and catfish. 7 waterfowl units have 12 in-ground 5-man aluminum pit blinds and are professionally designed for first-class duck and goose hunting. The ranch also comes with an undivided interest in 60-acres of hardwoods at the entrance to the property that provides additional hunting and recreational opportunity.

Other: As you can see by the photos and videos of this property, the waterfowlign opportunities at Five Oaks Ranch are nothing short of world-class.

## Information About Brokerage Services

Texas law requires all real estate license holders to give the following information about brokerage services to prospective buyers, tenants, sellers and landlords.

### TYPES OF REAL ESTATE LICENSE HOLDERS:

- **A BROKER** is responsible for all brokerage activities, including acts performed by sales agents sponsored by the broker.
- **A SALES AGENT** must be supervised by a broker to perform any services and works with clients on behalf of the broker.

### A BROKER'S MINIMUM DUTIES REQUIRED BY LAW (A client is the person or party that the broker represents):

- Put the interests of the client above all others, including the broker's own interests;
- Inform the client of any material information about the property or transaction received by the broker;
- Answer the client's questions and present any offer to or counter-offer from the client; and
- Treat all parties to a real estate transaction honestly and fairly.

### A LICENSE HOLDER CAN REPRESENT A PARTY IN A REAL ESTATE TRANSACTION:

- **AS AGENT OR SUBAGENT FOR OWNER (SELLER/LANDLORD):** The broker becomes the property owner's agent through an agreement with the owner, usually in a written listing to sell or property management agreement. A subagent represents the owner, not the buyer, through an agreement with the owner's broker. An owner's agent must perform the broker's minimum duties above and must inform the owner of any material information about the property or transaction known by the agent, including information disclosed to the agent or subagent by the buyer or buyer's agent.
- **AS AGENT FOR BUYER/TENANT:** The broker becomes the buyer/tenant's agent by agreeing to represent the buyer, usually through a written representation agreement. A buyer's agent must perform the broker's minimum duties above and must inform the buyer of any material information about the property or transaction known by the agent, including information disclosed to the agent by the seller or seller's agent.
- **AS AGENT FOR BOTH - INTERMEDIARY:** To act as an intermediary between the parties the broker must first obtain the written agreement of *each party* to the transaction. The written agreement must state who will pay the broker and, in conspicuous bold or underlined print, set forth the broker's obligations as an intermediary. A broker who acts as an intermediary:
  - Must treat all parties to the transaction impartially and fairly;
  - May, with the parties' written consent, appoint a different license holder associated with the broker to each party (owner and buyer) to communicate with, provide opinions and advice to, and carry out the instructions of each party to the transaction.
  - Must not, unless specifically authorized in writing to do so by the party, disclose:
    - that the owner will accept a price less than the written asking price;
    - that the buyer/tenant will pay a price greater than the price submitted in a written offer; and
    - any confidential information or any other information that a party specifically instructs the broker in writing not to disclose, unless required to do so by law.

### TO AVOID DISPUTES, ALL AGREEMENTS BETWEEN YOU AND A BROKER SHOULD BE IN WRITING AND CLEARLY ESTABLISH:

- The broker's duties and responsibilities to you, and your obligations under the representation agreement.
- Who will pay the broker for services provided to you, when payment will be made and how the payment will be calculated.

**LICENSE HOLDER CONTACT INFORMATION:** This notice is being provided for information purposes. It does not create an obligation for you to use the broker's services. Please acknowledge receipt of this notice below and retain a copy for your records.
