# LOCATION

The ranch is 105 miles from OKC, 85 miles from Tulsa, 160 miles from Dallas, 6 miles west of the Indian Nation Turnpike, and 10 miles from downtown McAlester. There are multiple entrances to the ranch on the west side with over 2 miles of county road frontage and one entrance from Highway 270 on the south. McAlester Airport is local and convenient with other larger airport options in Tulsa or OKC.

# PROPERTY MAP

# TOPOGRAPHY, RANGELAND & HABITAT

---

The ranch boasts nearly 200' of elevation change, some areas gradual and some sheer. This topography produces large sandstone outcroppings and expansive views. There are mostly blackjack and post oak covering the ridges and higher ground. More favorable Oak trees, pines, and other mature species line the creeks and lower-elevation drainages. Native grasses including a variety of bluestem make up majority of the pasture and open portions. Some acreage can be cut for hay and includes a native and improved mix of grasses including fescue. We have estimated that the pasture portions would likely support 10 - 12 acres/cow.

## WILDLIFE

---

In recent years the ranch has not been aggressively hunted. The terrain and diversity of this property provide favorable habitats for many types of wildlife without ever having to travel far to find water. There are many potential food plot locations and stand positions for all weapons and preferred distance shooting. The amount of water on this place is an invitation to all waterfowl as well.

## WATER

---

The focal point of the property is the 52-acre lake with a rock-bottom spillway. The lake traces one major draw and provides a very unique shape with a lot of natural beauty. Adding to the surface water are 23 ponds that are in great condition. There are endless fishing opportunities with options at every turn, and there are nearly 2 miles of live water with Big Wildhorse Creek running across the southern portion of the ranch. Rural water services the improvements.

# IMPROVEMENTS

A 4,000 sqft cement floor shop is adjacent to the original homestead on the ranch. This location is one of many build sites with utilities in place. The roads are in good condition and connect to a vast system of newly cleared trails for ultimate access. The ranch overall has good fencing and is cross fenced to incorporate the central livestock corrals for easily working and gathering livestock. This cross-fencing also allows grazing practices to be separated from core hunting areas.

# ELECTRICITY

Rural electric services the improvements.

# MINERALS

Surface sale only, the seller does not own any minerals. There are a few production sites and a lease road that are not currently active.

# TAXES

The annual property taxes are estimated at \$1,750.

Ranch shown by appointment only.

Co-Listed with Oklahoma Land Pro.

### What You Need to Know About Broker Services

**A real estate broker may work with one or both Parties to a real estate transaction.** *The Oklahoma Broker Relationships Law (Title 59, Oklahoma Statutes, §858-351 – 858-363) allows a real estate firm to provide brokerage services to both Parties to the transaction. This could occur when a firm has contracted with a seller to sell their property and a prospective buyer contacts that same firm to see the property. If the prospective buyer wants to make an offer on the property, the firm must now provide a written notice to both the buyer and seller that the firm is now providing brokerage services to both Parties to the transaction.*

**Oklahoma real estate brokers have mandatory duties and responsibilities to all Parties in a real estate transaction.** *These duties and responsibilities shall be described and disclosed in writing prior to signing a contract to sell, purchase, lease, option or exchange real estate. These duties and responsibilities are to:*

- *Treat all Parties with honesty and exercise reasonable skill and care.*
- *Receive all written offers and counteroffers, reduce offers or counteroffers to a written form upon request of any party to a transaction and present timely all written offers and counteroffers (unless specifically waived in writing by a party).*
- *Timely account for all money and property received by the broker.*
- *Disclose information pertaining to the property as required by the Residential Property Condition Disclosure Act.*
- *Comply with all requirements of The Oklahoma Real Estate License Code and all applicable statutes and rules.*
- *Keep confidential information received from a party or prospective party confidential unless written consent is granted by the party, the disclosure is required by law, or the information is public or becomes public as the results of actions from a source other than the broker. Confidential information includes:*
  - *That a party is willing to pay more or accept less than what is being offered*
  - *That a party or prospective party is willing to agree to financing terms different from those offered*
  - *The motivating factors of the party or prospective party purchasing, selling, leasing, optioning or exchanging the property*
  - *Any information specifically designated as confidential by the party unless such information is public.*

**A broker has additional duties and responsibilities only to a party for whom the broker is providing brokerage services.** *These duties and responsibilities shall also be described and disclosed in writing prior to signing a contract to sell, purchase, lease, option and exchange real estate. These duties are to:*

- *Inform the party in writing when an offers is made that the party will be expected to pay certain costs, brokerage services costs and approximate amount of the costs.*
- *Keep the party informed regarding the transaction.*

**If a broker intends to provide fewer brokerage services than those required to complete a transaction, the broker shall provide written disclosure to the party for whom the broker is providing services.** *The disclosure shall include a description of those steps in the transaction that the broker will not provide and state that the broker assisting the other party in the transaction is not required to provide assistance with these steps in any manner.*

**Disclosure of these duties and responsibilities is required in writing.** *The duties and responsibilities disclosed by the broker shall be confirmed in writing by each party in a separate provision, incorporated in or attached to the contract to purchase, option or exchange real estate.*

**Services provided to a tenant do not automatically create a broker relationship.** *When a broker provides brokerage services to a landlord under a property management agreement, the services provided to the tenant by the broker shall not be construed as creating a broker relationship between the broker and the tenant unless otherwise agreed to in writing; however, the broker owes to the tenant the duties of honesty and exercising reasonable skill and care.*
